

Planning Board Minutes  
August 3, 2011

PRESENT: David Paterniti – Chairman  
Linda Anderson  
Janet Briggs  
Daniel Anderson  
James Butler

Chairman Paterniti opened the meeting at 7:00 p.m.

Jim Lindell & Richard Kessel appeared before the board on the proposed application for Arro Tool & Die, 4687 Gleason Road, for a 40'x 50' addition to their present building. The addition will be on the Cramer Drive side of the building and meets all the setbacks. Kessel Construction, Inc., Bradford, PA will be building the building.

James Butler made a motion which was seconded by Janet Briggs to approve the 40' x 50' addition.

Thomas Kosinski, Quality Manufacturing Systems, LLC, 1995 Stoneman Circle, appeared before the board for a 30' x 120' addition to their present building. The new addition meets all setbacks.

Janet Briggs made a motion which was seconded by Daniel Anderson to approve the 30' x 120' addition.

Janet Briggs moved to close the meeting seconded by Daniel Anderson at 7:25 p.m.

Respectfully given,

Diane M. VanDewark  
Town Clerk
