

ADDENDUM #1

INVITATION FOR BIDS

FOR

**Precision Swale Stormwater Retrofits – Water Quality Improvement Project (WQIP),
Town of Busti and Village of Lakewood, Chautauqua County, New York**

Date: September 15, 2020

Please see the information below.

Correction 1: The written scale is incorrect on drawings V-1.1, C-3.1, and C-3.2 in the original bid packet dated 8/27/20. The written scale for each should read $1/12" = 1'-0"$. Corrected versions of drawings V-1.1, C-3.1, and C-3.2 are included with this Addendum.

Clarification 1: Regarding Additive Item #3 (activated alumina mix), in the event that the supplier requires a minimum purchase of alumina mix in excess of the quantity called for in the bid plans, bidder may include the cost of the full amount of material purchased. Extra material included in the bid cost, if any, would become the property of the Town. However, bidder should include only the labor/equipment/other costs necessary to install only the amount called for in the bid plans.

Please acknowledge receipt of Addendum Number One (1) by signing below and returning with your Bid Proposal.
